LOUISE DRAPER.

"STORY OF A PENNY"
I am a penny. I have traveled very far. God Created me thousands of years ago down six or seven hundred feet deep, south of Lake Superior.

I lay there for thousands of years until an Italian came down through a shaft and sent me to the surface, where I was loaded on a car and sent to a smelter, which was heated so hot that I melted and all of the impurities were cast from me, then I was molded into a sheet and placed in a machine that went clickety-click. I came out of that machine with the image of Abraham Lincoln, and the date 1920 on one side and the words "One Cent," and a wreath on the other, which means that one hundred of my brothers and sisters are equal in value to one dollar. I was carried from the mint and placed in a vault in a bank and finally a little girl came in the bank and called for some pennies, so I was handed to her and she placed me in a chewing gum box for a cake of chewing gum, and so I am here today, Jan. 12, 1920.

KATHLEEN STARNES, Fifth Grade.

TIMELY TOPICS TERSELY TOLD

Live Happenings From A Certain Business Corner Where The Local Scribe Hangs Out And Gleans News Worth While

SPRING IS ALMOST HERE

The Cookeville Bldg. Co., has let the contract for four new buildings and work was begun on them last week. They will be brought to rapid completion. The contract for the erection of ten more buildings will be let within the next few days, and housing conditions in Cookeville bids fair to be greatly improved within the next few weeks.

A Busy Store.

Dropping in at the store of McDermott-Williams Co., we found that firm busy receiving and arranging new Spring goods that are beginning to arrive. Mr. Williams, of this firm, has just returned from the Eastern markets and reports that he made some splendid purchases below the new price level for spot cash.

Everything to Wear.

The slogan of this firm is "Everything To Wear" and from the big showing made in ladies and misses new Spring Suits, and the big shipment being opened up of men's and boys clothing, we feel that the letter and spirit of the slogan will be maintained this coming Spring. From a Distance.

A number of this store's White county friends were seen making purchases. We also noted customers from Jackson and Overton counties, thus it can be seen that Cookeville draws her trade from a distance, and this enterprising firm is to be congratulated in being able to reach out to the adjoining counties of White, Overton, Jackson and Smith, and serve the trade from these counties. As one member of this firm remarked that they, too, should be congratulated on their good judgment in knowing where and with whom to do their trading.

Gingham Cheap.

Seeing the large quantity and beautiful patterns in new Gingham, being received, and upon inquiring was told the price on these were 10, 15, 20 and 25 cents the yard. Quite a reduction from a few weeks ago.

Remnant Sale.

The big Remnant Roll carried by this firm was attracting considerable attention and eager buyers were going after them at \$1.45 each (only a few weeks ago they were \$2.50 each).

"So many goods, so many creeds, So many paths that wind and wind, While just the art of being kind Is all the old world needs."

John Bill Found Them.

One night last week some fellow gained entrance to this store through a rear window, but far too much eagerness on the part of John Bill Terry, who had located them in the store, they would now be behind the bars. Let 'em come again. John Bill is going to move more cautiously next time and close in on 'em from the "fore and aft".

Spring Shoes.
